## Alarm Flasher

Alarm flasher is a product used to play the alarm/siren sound. A red light flashes when the alarm activates to draw more attention. This product can also be used as the doorbell or for calling the servants. Smart Myer system for smart homes enables the users to select their favorite siren sound or alarm melody and to set the volume. Given the smart design of the product, what the users need to do is to plug it into to outlet and use it.
